Artigas (Spanish Edition) Pacho O'Donnell

Pacho O'Donnell nos devuelve la real dimensión histórica de Artigas y recupera la plena vigencia de su pensamiento, en tiempos en que la unidad latinoamericana es más que una esperanza. El doloroso exilio del caudillo rioplatense parece, por fin, estar terminando.

Aunque la historiografía liberal insiste en recordar a José Gervasio de Artigas como el artífice de la independencia de la República Oriental del Uruguay, lo cierto es que, en realidad, el caudillo fue el representante más vigoroso de un proyecto de organización federal, popular y latinoamericanista para las Provincias Unidas del Río de la Plata, que en tiempos de Mayo incluían los actuales territorios de la Argentina, Uruguay, Bolivia y Paraguay. Su inflexible convicción lo enfrentó con el elitista y extranjerizante unitarismo porteño que abogaba por la hegemonía del puerto sobre las provincias. Férreo defensor del sufragio universal cuando ninguna sociedad del planeta practicaba el voto popular, llevó a cabo la primera reforma agraria de toda Latinoamérica.

La historia ha denominado "revolución" a las jornadas de mayo de 1810, aunque no fueron en verdad una revolución porque les faltó el protagonismo del pueblo. Este irrumpe en 1811, conmovido, turbulento, junto a José Gervasio de Artigas, el primer revolucionario del Plata. Obligado a combatir sin apoyo ni medios contra los colonialistas españoles y contra la invasión portuguesa desde el Brasil alentada por Gran Bretaña, debió defenderse, al mismo tiempo, de las tropas enviadas desde Buenos Aires y de las intrigas urdidas por triunviros y directores supremos, que no dudaron en poner precio a su cabeza.

Exiliado en Paraguay, el "Protector de los Pueblos Libres" murió pobre, acallado su ideario por el centralismo triunfante, pero respetado por San Martín y los caudillos provinciales y recordado siempre por su pueblo.

Para los historiadores argentinos, ocuparnos de Artigas es una forma de estar en la ruta de la Patria Grande, de romper los tabiques de la trágica disgregación americana, de recuperar la dimensión rioplatense y continental del "Protector de los Pueblos Libres".

From reader reviews:

Thelma Martin:

Here thing why this particular Artigas (Spanish Edition) are different and trustworthy to be yours. First of all looking at a book is good but it really depends in the content of the usb ports which is the content is as scrumptious as food or not. Artigas (Spanish Edition) giving you information deeper since different ways, you can find any book out there but there is no e-book that similar with Artigas (Spanish Edition). It gives you thrill reading through journey, its open up your current eyes about the thing that happened in the world which is might be can be happened around you. You can bring everywhere like in park your car, café, or even in your approach home by train. In case you are having difficulties in bringing the printed book maybe the form of Artigas (Spanish Edition) in e-book can be your alternative.

Craig Brown:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with education and learning books but if you want sense happy read one using theme for entertaining for instance comic or novel. The particular Artigas (Spanish Edition) is kind of reserve which is giving the reader unforeseen experience.

Marsha Gleason:

This book untitled Artigas (Spanish Edition) to be one of several books in which best seller in this year, here is because when you read this publication you can get a lot of benefit into it. You will easily to buy this kind of book in the book retail outlet or you can order it through online. The publisher on this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smart phone. So there is no reason to you personally to past this guide from your list.

Richard Kowalski:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by reading a book. Ugh, ya think reading a book really can hard because you have to take the book everywhere? It fine you can have the e-book, getting everywhere you want in your Smart phone. Like Artigas (Spanish Edition) which is keeping the e-book version. So , try out this book? Let's view.
