Close the achievement gap by closing the culture gap

Teaching children from diverse backgrounds begins with learning who they are, then using the knowledge and culture students bring to school in a standards-based curriculum to achieve student success. This guide provides tools that show why and how to create culturally responsive, standards-based (CRSB) instruction in the classroom. Results of effective programs include:

- Increased academic success for all learners
- Engaged and motivated students
- Strengthened partnerships between students, families, and communities
