## **Derecho Sanitario y Sociedad (Spanish Edition)** José María Antequera Vinagre

La complejidad en la gestión y dirección de los servicios sanitarios requiere instrumentos que agilicen y dinamicen dicha gestión y dirección bajo para parámetros de calidad; este libro, Derecho Sanitario y Sociedad, es una herramienta útil para la calidad de la asistencia sanitaria. El gestor debe asumir lo jurídico como una función directiva esencial y los profesionales sanitarios como un ejemplo más de la lex artis. Derecho Sanitario y Sociedad, además de dicho carácter instrumental, realiza una aproximación real y útil a los más relevantes desarrollos del derecho sanitario y de la sociología de la salud: derecho sanitario básico, la calidad jurídica de procesos, la bioética, la responsabilidad profesional, la responsabilidad directiva, la gestión de riesgos sanitarios y los aspectos sociales que impactan en la salud.
