Despatch on War Operations: 23rd February 1942 to 8th May 1945 (Studies in Air Power) Air Chief Marshal Sir Arthur Travers Harris

This is the first time that Sir Arthur Bomber' Harris's own papers covering his three and a half years at Bomber Command have been published and made available to the general public. The book also contains an introduction by Sebastian Cox, an Air Staff Memorandum written immediately after the war and a revisionist German viewpoint by Horst Boog. It stands as a landmark in the controversy that still rages over the man who led Bomber Command's campaign in the Second World War.
