Imperial Bedrooms (Vintage Contemporaries) Bret Easton Ellis

Bret Easton Ellis's debut, *Less Than Zero*, is one of the signal novels of the last thirty years, and he now follows those infamous teenagers into an even more desperate middle age.

Clay, a successful screenwriter, has returned from New York to Los Angeles to help cast his new movie, and he's soon drifting through a long-familiar circle. Blair, his former girlfriend, is married to Trent, an influential manager who's still a bisexual philanderer, and their Beverly Hills parties attract various levels of fame, fortune and power. Then there's Clay's childhood friend Julian, a recovering addict, and their old dealer, Rip, face-lifted beyond recognition and seemingly even more sinister than in his notorious past.

But Clay's own demons emerge once he meets a gorgeous young actress determined to win a role in his movie. And when his life careens completely out of control, he has no choice but to plumb the darkest recesses of his character and come to terms with his proclivity for betrayal.

A genuine literary event.

From the Hardcover edition.

From reader reviews:

Ruth Powers:

The book Imperial Bedrooms (Vintage Contemporaries) can give more knowledge and information about everything you want. So just why must we leave the good thing like a book Imperial Bedrooms (Vintage Contemporaries)? Several of you have a different opinion about book. But one aim that will book can give many facts for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or details that you take for that, you may give for each other; you may share all of these. Book Imperial Bedrooms (Vintage Contemporaries) has simple shape however you know: it has great and large function for you. You can look the enormous world by start and read a book. So it is very wonderful.

Willie Wilson:

Information is provisions for those to get better life, information these days can get by anyone with everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider when those information which is from the former life are challenging to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you get the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen with you if you take Imperial Bedrooms (Vintage Contemporaries) as your daily resource information.

James Edgar:

Many people spending their time by playing outside using friends, fun activity using family or just watching TV all day long. You can have new activity to shell out your whole day by looking at a book. Ugh, think reading a book can actually hard because you have to use the book everywhere? It fine you can have the e-book, taking everywhere you want in your Touch screen phone. Like Imperial Bedrooms (Vintage Contemporaries) which is finding the e-book version. So , why not try out this book? Let's view.

Corey Mason:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Imperial Bedrooms (Vintage Contemporaries) can make you truly feel more interested to read.
