**La revolución norteamericana (Spanish Edition)** Gordon S. Wood

***La revolución norteamericana es parte de la colección Breve Historia Universal, que ofrece una nueva visión de la historia de la humanidad.***

Gordon Wood, un notable especialista en la historia de Estados Unidos, conduce a los lectores a través de las páginas de este libro con un lenguaje ameno y accesible.

Cuando Abraham Lincoln intentó definir la esencia de **Estados Unidos** se remontó a la revolución norteamericana. Sabía que la revolución no solo había sido el origen legal de la joven nación sino también de los valores y esperanzas del pueblo norteamericano. Los ideales y aspiraciones -el compromiso con la libertad, el constitucionalismo, el bienestar y la igualdad de los ciudadanos- que se plasmaron en la Constitución norteamericana provienen de la era revolucionaria. Lincoln también era consciente de que la revolución había convencido a los norteamericanos de ser un pueblo diferente, destinado a guiar el mundo hacia la libertad, espíritu que sigue hoy tan vivo como entonces.

Esta historia tiene todos los ingredientes para un buen drama: trece colonias insignificantes al otro lado del Atlántico se levantan contra el gobierno británico para convertirse, en poco más de tres décadas, en una enorme, industrial, bulliciosa y poderosa república de cuatro millones de habitantes.
