**“Unlike me, life isn’t always pretty,” says Tiffany Spratt—a cheerleader destined for fame who will do *anything* to get there**

Tiffany is *definitely* glad that the best-looking boy in the universe just transferred to her high school. Her boyfriend, Wally, got caught hacking into the Pentagon’s computer system and was sent to boarding school, so she almost didn’t have a date for the Homecoming dance! But Tiffany knows that she’ll look *fabulous* next to her new boyfriend, Cannibal MacLaine—at least she *thinks* he said his name was Cannibal. Sure, it’s an incredibly unusual name, but then, he *is* from Los Angeles.

Then something even more exciting happens: A major Hollywood director wants to film a horror movie *right in their school!* Not everyone is as pleased as Tiffany though—in fact, her own mother is leading protests against the plan—but Tiffany is Head Yell Leader at Hi High, so she gets the chamber of commerce on her side. The movie studio signs the contract, and everything is going to be perfect . . . if it doesn’t turn into a perfect nightmare first.
