The Insider's Guide to Home Recording: Record Music and Get Paid Brian Tarquin

The last decade has seen an explosion in the number of home-recording studios. With the mass availability of sophisticated technology, there has never been a better time to do it yourself and make a profit.

Take a studio journey with Brian Tarquin, the multiple-E Emmy-award winning recording artist and producer, as he leads you through the complete recording process, and shows you how to perfect your sound using home equipment. He guides you through the steps to increase your creative freedom, and offers numerous tips to improve the effectiveness of your workflow. Topics covered in this book include the following:

- Studio location, set up, and alteration
- Equipment—microphones, plug-ins, amps, mixers
- Recording software
- Mixing techniques
- Roles and responsibilities of artists, producers, engineers
- Getting the best performance from hired musicians
- And much more!

Experienced and novice musicians alike will learn a multitude of tips, tricks, and techniques to control the studio environment and create excellent sounds. Novices, or those just starting to record on home equipment for the first time, will learn everything from setting up a studio properly, to operating the mixers and processors, to improving the acoustics of your work environment. This guide will help every musician, producer, or engineer to build a successful home-recording business.

Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a *New York Times* bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.
