The Liberating Image: The Imago Dei in Genesis 1 J. Richard Middleton

For two thousand years, Christians have been intrigued by the somewhat enigmatic *Imago Dei* references in the book of Genesis. Much theological ink has been spilled mulling over the significance and meaning of these words: "Let us make humanity in our image, according to our likeness . . . "

In *The Liberating Image*, J. Richard Middleton takes on anew the challenge of interpreting the *Imago Dei*. Reflecting on the potential of the *Imago Dei* texts for developing an ethics of power rooted in compassion, he relates its significance to the Christian community's distinct calling in an increasingly violent world.

The Liberating Image introduces a relevant, scholarly take on an important Christian doctrine. It will appeal to all Christians seeking to better understand what it means to be made in God's image.
