The Surgeon's Runaway Bride Olivia Gates

Her boss and husband

Walking away from her husband, surgeon Roque Aguiar Da Costa, was the hardest thing Jewel Johanssen had ever done. After the loss of their baby and her subsequent infertility, Jewel was too hurt to see the truth—that Roque loved her above everything.

Now Roque has tracked her to the Amazon rainforest, claiming that he's her boss and she's still his wife.

Roque's seduction is a taste of heaven that slowly breaks Jewel's barriers down, allowing her to understand that the only thing she needs in order to heal is what she ran from in the first place—his love!
