WinterMaejic Terie Garrison

In this captivating sequel to *AutumnQuest*, Donavah is learning to control her vast maejic powers under the tutelage of Yallick, a revered mage. Maejic is outlawed in Alloway, and dreadful news of the Royal Guard drives the majes—along with Xyla the red dragon—from their hidden forest sanctuary. No one realizes the traitor in their midst until it's too late and Donavah is brutally attacked. Stripped of her voice, the use of her hands, and her maejic, she is utterly helpless until rescued by a handsome and mysterious young man.

Evil forces are scheming to dispose of the mages and overthrow the king. Their fate rests on Donavah—perhaps their only hope for restoring the rightful rule of the dragons. Crippled physically and spiritually, can the young mage break free from the terrible spell before all is lost?
