## **Getting Published in the Humanities: What to Know, Where to Aim, How to Succeed** Jeffrey Kahan

In academia, the mantra "publish or perish" is more than a cliché. In most humanities fields, securing tenure proves impossible without at least one book under your belt. Yet despite the obvious importance of academic publishing, the process remains an enigma to most young scholars. In this helpful guide, a seasoned author offers essential advice for novice academic writers seeking publication. He explains why not all publications are equal, why e-books are not as widely respected as printed books in the academic world, how to schedule publications prior to tenure, how to spot a publishable idea, how to approach the right publisher, and a host of other useful tips that greatly increase one's chances of publication. By outlining a step-by-step approach to publishing, this indispensable manual removes much of the mystery surrounding an essential component of an academic career.
