**Abilene Gun Down (Owlhoot Trail)** Jory Sherman  
A MURDERER IN NAME ONLY

Young Jed Brand is on the run. He's wanted for cattle rustling and three killings -- and the harder he rides, the more mayhem and murder he has to his name. The problem is, he's not the one doing it.

Silas Colter is as cold and cunning as any other lifelong lawbreaker. After he suckered in Dan and Jed Brand to help drive stolen cattle to Abilene, the scheme went bad, with Colter killing Dan and two lawmen -- and leaving Jed to hang. Now, he's assumed Jed's identity to cut a swath of blood through the West.

To avenge his brother and clear his name, Jed hunts the vicious Colter across the plains, dodging bounty hunters and a relentless U.S. Marshal whose motives are as personal as Jed's. All Jed knows is that if he ever wants to see the end of the Owlhoot Trail, someone's going to have to die....

As a student, I exactly feel bored to help with reading. If their teacher questioned them to go to the library or even make a summary for some publication, they are complained. Just small students that have a reading's heart or real interest. They just do what the educator wants, like asked to go to the library. They go to the library now but nothing is really read. Any student feels that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to get complicated. A book is very important for you personally.
