Compel: How to Get Others in Your Organization to Think and Act Differently Robert D. Gilbreath
Advance praise for *Compel*:

"For over thirty years, Mr. Gilbreath has wowed audiences with his dynamic presentations and influential books. For the first time, he is pulling away the curtain and revealing the underlying dynamics that have made him one of the most compelling speakers and authors of our generation."

—Howard Drutman, PhD, clinical psychologist

"Spend time with Bob Gilbreath and you'll see what 'compelling' looks like in person. Read this book and you'll see what it looks like on paper. In years past, Bob and I have shared the podium, coauthored a handbook, laughed hard, and had great fun working together. I've never had a more powerful thinking partner, and you won't find a more authoritative voice on how you can become more compelling yourself."

—Price Pritchett, PhD, coauthor of *High-Velocity Culture Change*

"There are very few writers who can do what Bob Gilbreath does: take on this topic with proven experience and heartfelt, genuine intent. This book is compelling, offering literally hundreds of practical ideas to implement in everyday management situations."

—Robin Jones, PhD, Global Business Strategy Leader, IBM Business Consulting Services

"I have worked with Bob many times in my thirty-six-year professional consulting career. His presence and his ideas have always been compelling, and now I know why! If you need to get important things accomplished with and through others, this is the book for you. Be sure to have pen and paper ready from the start."

—John D. Smith, former partner, Accenture
