Constitutional & Administrative Law Hilaire Barnett

This highly-respected textbook is regularly updated to provide complete coverage of the Public Law syllabus and is accompanied by a range of interactive resources designed to support teaching and learning. Mapped to the common course outline, it equips students with an understanding of the constitution's past, present and future by analysing and illustrating the political and socio-historical contexts which have shaped the major rules and principles of public law, as well as on-going constitutional reform.

The new 10th edition has been revised and updated to reflect recent developments in the law including the Defamation Act 2013, Crime and Courts Act 2013 and the Justice and Security Act 2013 and has been enhanced to meet the needs of students and lecturers working in today's digital world.

In addition to the printed textbook users receive access to an enhanced electronic version. The interactive eTextbook brings the benefits of digital to the text – searching, online, offline and mobile access, interactive exercises and note-sharing are just some of the newly integrated features.

Key features of the interactive electronic textbook

One-click access to the cases on LexisNexis and the statutes on the government's legislation archive with almost 1,000 embedded hyperlinks in the text

The most-up-date book available with author updates twice a year to key developments in Public law

End of chapter interactive exercises which enable students to assess their understanding and progress and diagnose areas of weakness

An Interactive timeline that provides instant access to essential context on how the constitution has developed historically and politically to the present day

A comprehensive bank of essay questions with outline answers to help students prepare for assessments

The ability to make notes and highlight key sections of the text and to share your notes with the class

Instructor Resources A companion website will help instructors integrate the textbook with their teaching and includes links to further reading for students:

Access to articles on constitutional and administrative law from The Student Law Review

All of the diagrams from the text, ready to be integrated with your teaching

Chapter-by-chapter customisable PowerPoint slides which can be used in seminars or lectures

A bank of multiple choice questions which can be customised and adapted for formative assessment

Weblinks curated by the author in a read-to-click format

Please register to gain access to the Instructor's eResource on www.RoutledgeInteractive.com

Further information about the interactive electronic textbook

Author Updates twice a year

As the law changes, so does the interactive eTextbook. Updates will go live in the Interactive eTextbook and can be downloaded from the Instructor eResource.

Hyperlinked citations embedded in the text

Students will have one-click access to the full text of cases on LexisNexis® and to statutes on the government's legislation archive

End of chapter assessments and quizzes

Hundreds of interactive multiple-choice exercises to encourage students to test their understanding of the key concepts

Anytime, anywhere access

Made possible by a partnership between Routledge and VitalSource®, your interactive eTextbook is accessible via VitalSource's Bookshelf - the most used eTextbook platform in the world. Bookshelf makes digital reading possible online, offline as a download or on mobile devices in native apps as well as browsers. Please see the help section if you encounter any difficulties in pairing devices or accessing your eTextbook on your preferred device.

Notes

It's easy to add notes and save them in the cloud, these can be synchronised across devices. Online help is

built into Bookshelf®.

Notes can be used privately or to share comments on the text with a group. This means comments and notes from lectures or seminars can move from instructor to student, student to instructor...

From reader reviews:

Darren Custer:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite e-book and reading a book. Beside you can solve your condition; you can add your knowledge by the e-book entitled Constitutional & Administrative Law. Try to make the book Constitutional & Administrative Law as your buddy. It means that it can for being your friend when you truly feel alone and beside those of course make you smarter than before. Yeah, it is very fortunated for you personally. The book makes you much more confidence because you can know every thing by the book. So , we should make new experience as well as knowledge with this book.

Curtis Dugan:

Information is provisions for anyone to get better life, information presently can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider if those information which is inside former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take Constitutional & Administrative Law as your daily resource information.

Carlos McNerney:

A lot of people always spent their own free time to vacation or perhaps go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent many people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity here is look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you simply read you can spent all day long to reading a guide. The book Constitutional & Administrative Law it is very good to read. There are a lot of those who recommended this book. These people were enjoying reading this book. When you did not have enough space bringing this book you can buy typically the e-book. You can m0ore very easily to read this book from a smart phone. The price is not to cover but this book has high quality.

Charlotte Bernstein:

The reason? Because this Constitutional & Administrative Law is an unordinary book that the inside of the guide waiting for you to snap it but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning completely. So , it is good for you for not hesitating having this ever again or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the book store hurriedly.
