## **Fiona Range** Mary McGarry Morris

Abandoned by her young mother, unsure of her father's identity, and raised by her prominent aunt and uncle near Boston, thirty-year-old Fiona Range has developed a high threshold for emotional pain. Her recklessness, generosity, and poor judgment have landed her in more scrapes than her affluent family-or small-town community-can tolerate. Beautiful, volatile and smart-tongued (or trashy, erratic, and wild, depending on whom you ask), Fiona hits rock bottom after she ends a party with a strange man in her bed. Alienated from relatives and friends but determined to change, Fiona turns to the men in her life-among them, cruel and unstable Patrick Grady, who denies she is his daughter. The arrival home of her gentle cousin Elizabeth with fiance in tow sparks a storm where past mistakes and current passions collide.
