RueAnn Boggs meets Charles Tolliver, a handsome Brit with a secret job, and in the course of twenty-four hours, RueAnn is swept off her feet—seduced, wed, and then left by dashing Charlie, who hastily departs for an assignment in England. When weeks go by and she hears nothing from her new husband, RueAnn becomes determined to find out if she's a wife in name only, and she travels to London for answers. But what she finds there is not at all what she expects...

Susan Blunt has spent her life staying put, retreating into her books while her vivacious twin sister, Sara, lives life to the fullest. The start of the war hasn't stopped vibrant Sara from collecting a throng of beaux in uniform, including Paul Overdone, an RAF pilot heading for the front. When Sara pressures Susan into switching places and going to a dance with Paul, Susan reluctantly agrees. Little does Susan know that a single night is more than enough time to fall deeply in love with Paul—who returns her ardor, even though he thinks she is someone else...

When the Blitz begins and bombs start raining down on London, both RueAnn and Susan must find the strength and courage they never knew they had in order to survive. They form a friendship out of the city's ashes, one that helps them weather the storm as they wait for news from the front—from the men they love, have lost, and hope desperately to find once more.

Set against the backdrop of a remarkable era, INTO THE STORM brilliantly explores relationships in wartime, when the passion shared in just one day could sustain love for a lifetime and the love borne of one night's deception could become the truth that saves a life.
