## **The Cycling Anthology: Volume Five: 5** Ellis Bacon

Professional cycling is a rich, dynamic and often controversial sport that lends itself to great writing. Some of the most famous and illustrious races were founded by newspapermen and *The Cycling Anthology* continues this tradition by bringing together the best in the business.

Volume Five is an eclectic mix of stories old and new:

As World War One is commemorated across the globe, **Brendan Gallagher** looks at cycling's war heroes and the role the bicycle played in WWI.

**Jeremy Whittle** goes in search of panache - why you don't always have to be a winner to be a winner in the public's eyes.

**Francois Thomazeau** examines how the Tour de France became the international event it is today.

The 2014 Tour de France is relived in the form of poetry, by **Ellis Bacon**.

**Lionel Birnie** tells the story behind the Linda McCartney cycling team, the great British team that could have been.

Joey McLoughlin was a shining star of the British cycling scene in the 1980s and '90s - **Andy McGrath** finds out what happened to him.

**Edward Pickering** returns to one of cycling's great Pyrenean climbs - Superbagneres.

As **Matt Beaudin** finds out, the Tour de France is a treat for the senses - albeit a loud one.

**Matt McGeehan** sends a postcard from the 2014 World Track Championships in Colombia.

And **Daniel Friebe** introduces us to Jean Francois Naquet-Radiguet: Tour de France pioneer.
