Heart of the Hunter Chance Carter

Love ferociously. Fight for your woman.

My name is Hunter, and when it comes to my woman, I don't play around. I feel her. I protect her. I love her ferociously.

Some people say I go too far. They think I deserve to be locked up. I'm not a reasonable man. I've got more blood on my hands than you've ever seen. And I'll tell you right now, I would kill for my woman. Isn't that what it means to truly love someone?

Am I an animal? Sure.

But Kelly changed me. She tapped into something deep inside me. I live for her now. She's the one I protect. She's the one I kill for. Most men don't know what it means to be willing to die for their woman. I'm here to show them what love can be.

My name is Hunter, and if you ever threaten Kelly, if you even think about it, I'll hunt you down, and I'll kill you.

This is a full length romance novel with a happy ending and lots of surprise bonus content.
