Interviewed by God: A Journey to Freedom Beth Banning

Interviewed by God is an account of Beth Banning's journey of spiritual awakening—her conscious connection with God and the lessons she's learned along the way. From a very young age, Banning experienced phenomena that could only be called extraordinary: she's received messages from spirit animals, felt *kundalini* energy awaken in her, and experienced dimensional shifts in her awareness that have allowed her to witness what only a few have seen. She was visited by totem animals, took ritualistic baths, and visited shamans and healers; she experienced ecstatic states and received messages; her ego mind began to battle against her higher mind. As she experienced her spiritual journey, a small voice within guided her. With doubt as her constant companion she continued to follow her inner promptings, which led her to higher levels of truth about her connection to herself and the world and reality as we know it. Written in a format in which the author is "interviewed by God," the book is meant to be a mirror for the reader to reflect their own experiences back to them, and a gentle guide for those who are at the precipice of an extraordinary adventure and are either scared to jump or who hunger for answers and understanding.
