Tell It to Women: An Epic Drama for Women (African American Life Series) Osonye Tess Onwueme
Using the magic of movement, dance, and drama, and the devices of humor and metaphor, Osonye Tess Onwueme has created a post-feminist epic drama that transcends current feminist theories. An ideologically and politically powerful work, *Tell It to Women* offers a critical discourse on the western feminist movement from an African traditional perspective, focusing attention on the often silenced issues of intra-gender politics and class inequities.
