Understanding money is crucial in today's financially driven world. However, attaining wealth has more to do with internal motivations and experiences than with external circumstances. The Abundance Loop reveals what blocks *you* from achieving the prosperity that is your natural birthright. By breaking free from a fear-based mind-set, you will learn to cultivate gratitude and awareness, and take conscious action to create the life you want.

**Juliana Park**, a Certified Financial Planner and financial advisor for over 13 years with major Wall Street firms, offers a step-by-step approach for you to shift from *scarcity* to *abundance*. Here, she walks you through 30 practical exercises and shows you how to:

- Reframe your life through the lens of the Abundance Loop—and radically change your relationship with money, with others, and with yourself;
- Align with your divine wealth and authentic purpose; and
- Find financial security and spiritual serenity.

This groundbreaking book will challenge your beliefs about what is possible and lead you on a clear path to enrich both your net worth and your self-worth.
