La literatura norteamericana y otros ensayos (Spanish Edition) Cesare Pavese

«No soy un hombre de biografía. No dejaré más que algunos libros, donde todo lo mío está dicho, o casi todo. El que no vive más que entre libros? ama los libros, duerme, come, siempre con libros.»

Cesare Pavese escribió estas palabras con solo diecinueve años, pero a lo largo de su vida no hizo más que confirmar esa pasión por la literatura. Su figura, contradictoria a veces y atormentada siempre, destaca con fuerza hoy, aportando un rigor y una profundidad inusuales en estos tiempos.

Los ensayos que componen el volumen, tanto si se ocupan de Faulkner y Dickens, como del concepto del intelectual políticamente comprometido o de las raíces del mito poético, brillan por su hondura y su lenguaje conciso y chispeante a la vez, descubriéndonos la faceta quizá menos conocida de uno de los maestros de la literatura europea contemporánea.

«Este libro nos brinda la más rica y explícita autobiografía intelectual de Pavese.»

ITALO CALVINO
