## **Love Art** Mikki L. Padilla

Although the title can have you thinking that this is a book of romantic rhapsodies, that's definitely not the case. "Love Art" is a compilation of narrated stories filled with intensity, devotion, and self-evolution. Journeying in and out through many different colors of love... layers and textures of life experiences. IT IS AN EXPLOSION OF EXPRESSION!!! And through poetic rhythm, it is my way of painting emotion. It's extremely empowering, multidimensional, and sure to fuel a multitude of different opinions and definitions. I invite you inside to explore the range of passion (whereas some may call it, "frustration") spread throughout 25 of my pieces, and an awakening dream sequence as I have chosen to see it. To each our own growth, so life's way of allowing us to articulate may come about for you in different hues. This book just happens to be filled with several examples of mine. Hopefully, somewhere within this interior, you will connect with something you can relate to, reflect upon, and identify with so much that it inspires you to voice your own personal movement. Thank you for being brave enough to open the pages of these stories. In truth or imagination, it can give the wandering mind some kind of direction. For life is LOVE... just as much as it is ART!
