Fans of Jennifer E. Smith and Jenny Han will fall in love with this heartfelt and humor-laced debut following one girl's race to find the guy of her cosmic dreams.

When zodiac-obsessed teen Wilamena Carlisle discovers a planetary alignment that won't repeat for a decade, she's forced to tackle her greatest astrological fear: The Fifth House—relationships and love.

But when Wil falls for a sensitive guitar player hailing from the wrong side of the astrology chart, she must decide whether a cosmically doomed love is worth rejecting her dead mother's legacy and the very system she's faithfully followed through a lifetime of unflinching belief.
