The Silver Dark Sea Susan Fletcher

The powerful new novel from the award-winning author of 'Eve Green' and 'Oystercatchers' is a tale of love and the lore of the sea.

The islanders of Parla are still mourning the loss of one of their own. Four years since that loss, and a man – un-named, unclothed – is washed onto their shores. Some say he is a mythical man from the sea – potent, kind and beautiful; others suspect him. For the bereft Maggie, this stranger brings love back to the isle. But as the days pass he changes every one of them – and the time comes for his story to be told...

Tender, lyrical and redemptive, 'The Silver Dark Sea' is the dazzling new novel from the author of 'Eve Green' (winner of Whitbred First Novel award). It is a story about what life can give and take from us, when we least expect it – and how love, in all its forms, is the greatest gift of all.
