Cider, Hard and Sweet: History, Traditions, and Making Your Own (Second Edition)

Ben Watson

Cider, Hard and Sweet: History, Traditions, and Making Your Own (Second Edition) Ben Watson

A fully updated and expanded primer for anyone who wants to make cider and for those who just like to drink it.

With the rise in consumer demand for local foods and local food products, and the emergence of more small craft food and beverage producers since this book was originally published in 2000, this revised edition of *Cider, Hard and Sweet* comes at the right time.

Watson's expanded the section on the history of cider to chronicle lesser-known cider producers such as those in Spain and Asia; broadened the selection of North American cider varieties and European cider apple varieties; provided new cidermaking basics tailored to beginner and intermediate cidermakers with special attention to the new cidermaking equipment available; added new recipes for cooking with cider from notable chefs and bartenders; and added a new chapter about the recent popularity of perry (pear cider) available for purchase today.

William Sanders:

You may spend your free time to see this book this book. This Cider, Hard and Sweet: History, Traditions, and Making Your Own (Second Edition) is simple to develop you can read it in the playground, in the beach, train and soon. If you did not include much space to bring typically the printed book, you can buy typically the e-book. It is make you quicker to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Aurora Ammon:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Cider, Hard and Sweet: History, Traditions, and Making Your Own (Second Edition) can make you feel more interested to read.
