Dark Currents: Agent of Hel Jacqueline Carey

The Midwestern resort town of Pemkowitz boasts a diverse population: eccentric locals, wealthy summer people, and tourists by the busload—not to mention fairies, sprites, vampires, naiads, ogres, and a whole host of eldritch folk, presided over by Hel, a reclusive Norse goddess.

To Daisy Johanssen, fathered by an incubus and raised by a single mother, it's home. And as Hel's enforcer and the designated liaison to the Pemkowitz Police Department, it's up to her to ensure relations between the mundane and eldritch communities run smoothly.

But when a young man from a nearby college drowns—and signs point to eldritch involvement—the town's booming paranormal tourism trade is at stake. Teamed up with her childhood crush, Officer Cody Fairfax, a sexy werewolf on the down-low, Daisy must solve the crime—and keep a tight rein on the darker side of her nature. For if she's ever tempted to invoke her demonic birthright, it could accidentally unleash nothing less than Armageddon.
