Le rêve de l'analyste (ESSAI ET DOC) (French Edition) Abibon Richard

C'est en rêvant qu'un de ses analysants lui lançait des pierres que Richard Abibon a compris qu'il nourrissait une certaine agressivité inconsciente à l'égard de ses clients. Il était urgent de s'en rendre compte, non pas dans l'espoir de rectifier le tir par un acte conscient de volonté, mais simplement parce que tout ce qui se met en paroles contribue à modifier les modes relationnels. A travers ses rêves, Richard Abibon analyse sa relation inconsciente à quelques-uns de ses analysants, se faisant pour l'occasion l'analysant de sa pratique d'analyste. Si cette voie n'a pas beaucoup été explorée, elle a cependant été ouverte par le père de la psychanalyse: Freud.
