The Craft of Psychodynamic Psychotherapy

Angelica Kaner, Ernst Prelinger

The Craft of Psychodynamic Psychotherapy Angelica Kaner, Ernst Prelinger

This work is an orientation to a craft of great richness and interest. The authors describe the defining elements of the accumulated working knowledge of psychodynamic psychotherapy. It revisits the raw pointedness of old questions: What is psychotherapy? What makes it meaningful? What do I say when a patient asks me how therapy works? How long will it take? How does change happen?
