John G. Flett

The Witness of God: The Trinity, Missio Dei, Karl Barth, and the Nature of Christian Community

John G. Flett

A constructive revision of trinitarian *missio Dei* theology, John Flett's *Witness of God* argues that the neglect of mission as a theological locus has harmful consequences for understanding both the nature of God's connection with the world and the corresponding nature of the Christian community. Flett maintains that mission/witness is an integral part of God's being, not a secondary characteristic, and contends that the church -- if we truly seek to reflect the fullness of God's being -- must reflect this truth by becoming a missionary community.
