Waiting On Normal Sonja L Myburgh

Callie always knew she wasn't like other teenagers. Even from a young age she noticed this, but never took it too seriously. After being diagnosed with bipolar disorder and A.D.D. at the age of 18, she realized that her suspicions were indeed correct. She was different. Before long, personal tragedies send her life spiraling out of control, and she plummets down into her own personal Hell, but somehow she manages to overcome them. Callie's journey with bipolar disorder from her teenage years into adulthood is a battle of not only circumstances and decisions, but also with her own mind. Will her past demons catch up to her and drag her back down, or will she find the strength to stay afloat?
