## Diálogo de la moda y de la muerte (Spanish Edition) Giacomo Leopardi

A lo largo de la historia, algunos libros han cambiado el mundo. Han transformado la manera en que nos vemos a nosotros mismos y a los demás. Han inspirado el debate, la discordia, la guerra y la revolución. Han iluminado, indignado, provocado y consolado. Han enriquecido vidas, y también las han destruido. Taurus publica las obras de los grandes pensadores, pioneros, radicales y visionarios cuyas ideas sacudieron la civilización y nos impulsaron a ser quienes somos. Leopardi, poeta y filósofo, explora en este humorístico y a la vez despiadado diálogo el poder de la moda y su extraña irracionalidad. Con un original estilo satírico imagina además otras fabulosas conversaciones entre Hércules y Atlas, entre la Naturaleza y un islandés y entre la Tierra y la Luna.
