E-Moderating: The Key to Online Teaching and Learning Gilly Salmon

Professor Gilly Salmon has achieved continuity and illumination of the seminal five stage model, together with new research-based developments, in her much-awaited third edition of *E-Moderating*—the most quoted and successful guide for e-learning practitioners.

Never content to offer superficial revisions or simple "solutions" against the pace of technological advances, the expanding interest and requirements for online learning, and the changes they have wrought, *E-Moderating, 3rd edition* offers a richness of applied topics that will directly impact learners and teachers of all kinds. The book is carefully crafted and supported with evidence, examples, and resources for practical guidelines, making it potentially transformational for all practitioners.

E-Moderating, 3rd edition includes:

- Updates of literature, key terms, case studies and projects
- Fresh examples of the use of the five stage model around the world, at different levels of education and across disciplines
- Guidelines for moderating for podcasting and virtual worlds
- Illustrations from the latest All Things in Moderation development programmes (www.atimod.com)
- New resources for practitioners

The research for this third edition is based on Gilly Salmon's six years as head of the Beyond Distance Research Alliance and the Media Zoos at the University of Leicester (www.le.ac.uk/mediazoo).

She is now Professor of Learning Futures and Director of the Australian Digital Futures institute at the University of Southern Queensland, Australia (www.usq.edu.au/adfi).
