Classic Norwegian knitting techniques are reinvigorated with a modern twist in this clear and concise handbook to stranded colorwork. Featuring 20 innovative and fun projects - such as the Lotus Blossom Vest, the Go for Baroque Tote, the Counting Crows Pullover, and the Wedding Belle Cardigan - this guide accompanies each with detailed instructional outlines in the tutorial section and is perfect for a variety of skill levels. Going beyond the usual snowflake and reindeer motifs of traditional Norwegian patterns, this modern resource addresses a niche few other knitting guides have explored and offers a technique section that is enjoyable thanks to its conversational tone. Advanced techniques are also highlighted, such as managing two balls of yarn, adding steeks, and finishing cut edges.
