## **The Orange Blossom Special** Betsy Carter

When we first meet Tessie Lockhart in 1958, she is pinning her hair into a French twist, dabbing Jean Naté on her wrists, and getting ready to change her life. This widowed mother of a thirteen-year-old has decided it's time for a fresh start for both of them, time to leave behind Carbondale, Illinois, and the pain of loss. Tessie and her daughter move to Gainesville, Florida, where they discover that they aren't the only ones struggling to move forward in the wake of tremendous grief.

Betsy Carter has perfectly captured both the innocence of the 1950s, when even the complex events of our lives seemed somehow easier to endure, and the startling and irreversible changes of the 1960s. A story about the relationships people develop in the face of loss, *The Orange Blossom Special* introduces us to a remarkable cast of characters, all of whom are tested—and transformed—by the changes in their midst.

In her own touching and funny style, Carter shows us the unexpected ways in which strangers can become family.

### From reader reviews:

#### **William Jewell:**

What do you think of book? It is just for students because they're still students or this for all people in the world, the actual best subject for that? Simply you can be answered for that query above. Every person has several personality and hobby for every single other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book The Orange Blossom Special. All type of book would you see on many sources. You can look for the internet methods or other social media.

#### **Sarah Jackson:**

Within this era which is the greater particular person or who has ability in doing something more are more treasured than other. Do you want to become certainly one of it? It is just simple strategy to have that. What you need to do is just spending your time not very much but quite enough to get a look at some books. One of many books in the top listing in your reading list is definitely The Orange Blossom Special. This book that is qualified as The Hungry Hills can get you closer in turning into precious person. By looking upward and review this reserve you can get many advantages.

#### **Amy Christensen:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Orange Blossom Special can make you really feel more interested to read.

#### **Hugo Carter:**

What is your hobby? Have you heard which question when you got learners? We believe that that concern was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. So you know that little person like reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the matter. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You find good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is actually The Orange Blossom Special.
