**Ayer, hoy y mañana (Spanish Edition)** Sophia Loren

El 20 de septiembre de 1934 nació en Roma una niña que nadie había deseado y todos acabaron adorando: esa niña era Sophia Loren. Ahora, al cumplir los ochenta años, la gran actriz ha querido contar su vida en unas memorias que son también la imagen de una época, pues la vida de Sophia anda de la mano de la historia del siglo XX.

Hija de una mujer joven y espléndida que también quería abrirse paso en el cine y de un joven que no estaba dispuesto a formar una familia, Sofia Villani Scicolone fue criada por sus abuelos en un barrio pobre de Nápoles, pero su belleza y sus dotes para la interpretación pronto le abrieron el camino al cine. Su encuentro con Carlo Ponti fue decisivo en su vida personal y profesional: él fue su marido, el productor de la mayoría de sus películas y su mejor amigo en los momentos duros.

Ahora, en su casa, la actriz abre la caja de los recuerdos, y de ahí salen palabras, fotos y documentos inéditos que se muestran por primera vez al público lector. Los perfiles de los grandes protagonistas del cine, la fotografía, la literatura y la moda desfilan por estas páginas: de Vittorio de Sica a Giorgio Armani, pasando por Cary Grant, Marcello Mastroianni y Alberto Moravia, el pasado vuelve a nosotros gracias a una voz que fue musa de la gran pantalla pero nunca olvidó sus orígenes, y ahora puede permitirse el lujo de recordar todos los años de su vida.

"Lo mejor que me pasó en la vida fue nacer sabia y pobre...y todo eso que ustedes ven se lo debo a los spaghetti."

Sophia Loren
