Back To Darwin: A Richer Account of Evolution

John B. Cobb Jr.

Back To Darwin: A Richer Account of Evolution John B. Cobb Jr.

This book provides a distinctive, radical way beyond the quarrels between evolutionary science and Christian belief. Leading scientists, philosophers, and theologians critically discuss the metaphysical assumptions of neo-Darwinism and offer concrete ways of broadening mainstream evolutionary theory. Their open exchange, moderated by veteran process theologian John B. Cobb, presents a holistic case for evolution that both theists and nontheists can accept.
