Environmental Economics and the International Economy (Economy & Environment)

This volume includes a selection of papers presented at the EURESCO Conference “The International Dimension of Environmental Policy” held in Kerkrade, The Netherlands, in October 2000. We would like to thank those who made this conference possible: the European Science Foundation (ESF), which provided financial and organizational support; the European Commission EURESCO Programme; the Netherlands Organization for Scientific Research (NWO), which sponsored the conference under the research project: “Environmental Policy, International Competitiveness and the Location Behavior of Firms”; and GLOBUS, Tilburg University. The European Science Foundation (ESF), the EURESCO Programme, NWO and GLOBUS cannot be held responsible for the contents and/or opinions expressed in this volume. Our gratitude also goes to the people who assisted us in editing this volume: the papers’ referees, the authors, our publisher Kluwer, and Ineke Lavrijssen and Evelyn Rogge for invaluable editorial help at different stages of this project.
