Fantasies are always sexier when they come alive, as Sandra Chastain proves by pairing two unlikely stars for a scorching hot romance: the models on the cover.

As the editor of *Fantasy Romance*, Hannah Clendening needs a gorgeous, tattooed, musclebound ex-con type for the front cover of her next publication. And what better place to find such a man than an actual prison? When Dan Bailey saunters out of the pen, Hannah knows she's found the perfect man. So perfect that she even agrees to pose with him for the shoot . . . so perfect that when he wraps Hannah in his arms, he ignites a fire that may just burn out of control.

Bad-boy journalist Dan Bailey always gets his story, even if it means putting himself behind bars for three months. But on the day of his release, a blond beauty makes him an offer he can't refuse—especially since being an impromptu cover model means access to offices and a quiet place to write his expose. But while Dan is under the hot lights and in front of the camera lens, the feel of Hannah's body against his provides a welcome distraction—and a sizzling kiss leaves him hungry for more.

Includes a special message from the editor, as well as excerpts from other Loveswept titles.
