**In Search of Burningbush** Michael Konik

**"Few authors write as passionately about the game of golf as Michael Konik. *In Search of Burningbush* communicates why the greatest sport in the world has touched so many lives so deeply, including mine." --Jack Nicklaus**

"Golf is a game of Spirit and spirits. This true story, which reads like good fiction, describes a journey into golf's magical realms."--Michael Murphy, author of *Golf in the Kingdom* and chairman & cofounder of Esalen Institute

"I thoroughly enjoyed reading Michael Konik's *In Search of Burningbush*. As the story of one man's quest to experience the ultimate in golf in Scotland despite all odds, it is an inspirational must-read for golf fanatics."  
--Ty M. Votaw, LPGA Commissioner

### From reader reviews:

#### **Randy Johnson:**

Here thing why this specific In Search of Burningbush are different and reliable to be yours. First of all studying a book is good however it depends in the content of the usb ports which is the content is as tasty as food or not. In Search of Burningbush giving you information deeper including different ways, you can find any e-book out there but there is no reserve that similar with In Search of Burningbush. It gives you thrill studying journey, its open up your personal eyes about the thing this happened in the world which is might be can be happened around you. You can bring everywhere like in playground, café, or even in your technique home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of In Search of Burningbush in e-book can be your alternate.

#### **Nancy Deanda:**

Nowadays reading books are more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want truly feel happy read one along with theme for entertaining including comic or novel. Often the In Search of Burningbush is kind of reserve which is giving the reader erratic experience.

#### **Charles Powers:**

Reading a book tends to be new life style with this era globalization. With reading you can get a lot of information that can give you benefit in your life. With book everyone in this world can share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this In Search of Burningbush.

#### **Georgia Evans:**

This In Search of Burningbush is great publication for you because the content which can be full of information for you who else always deal with world and have to make decision every minute. That book reveal it information accurately using great arrange word or we can state no rambling sentences inside it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but tough core information with beautiful delivering sentences. Having In Search of Burningbush in your hand like getting the world in your arm, info in it is not ridiculous just one. We can say that no book that offer you world with ten or fifteen moment right but this reserve already do that. So , this really is good reading book. Heya Mr. and Mrs. stressful do you still doubt which?
