Manejo práctico de títulos valores para no abogados (Spanish Edition) Rafael Nieto Navia, Pablo Nieto Loaiza

Las facultades de Administración de Empresas, Ciencias Económicas e Ingeniería Industrial tienen dentro de sus programas la materia de Títulos Valores. Igual sucede con ciertos cursos especializados para profesionales como los que se requieren para desempeñar la función de trader en las Bolsas de Valores. Es obvio que los abogados también tienen esta materia dentro de sus pénsumes, pero el tratamiento que le dan es puramente jurídico. El enfoque que pretendemos dar a estas notas es el de manejo práctico -que puede ser útil también a los abogados que no reciben esa formación en la universidad- y no el jurídico. La primera recomendación que se hace a quien está manejando títulos-valores y no es abogado, y tiene un problema o una duda jurídica es que busque uno. Ya hablaremos de las condiciones que deben llenar los abogados en los cuales se puede depositar la confianza para todos los problemas jurídicos, no solamente los que se refieren a títulos valores.
