One Girl One Dream Laura Dekker

The amazing autobiographical account of the youngest ever solo circumnavigation of the Earth.

If you want to see the other side of the world, you can do two things: turn the world upside down, or travel there yourself.

In 2012, at the age of just 16, Laura Dekker became the youngest sailor ever to single-handedly circumnavigate the globe. In realising her long-held dream, she had not only braved the wild oceans and long weeks of solitude at sea, but also the doubts and sometimes hostile resistance of officials.

In this remarkable account of her incredible journey - for the first time in English - Laura describes in her own words what it is like to sail solo around the world, and the determination it takes to do it at such a young age.

Exciting, awe-inspiring and inspirational, this is a real-life adventure for readers of all ages.
