To Experience Wonder: Edna Staebler: A Life Veronica Ross

Canada's foremost cookbook author began her career, not as a cook, but as a journalist writing for Canadian magazines. She was 60 when she turned her attention to food. *Food That Really Schmecks* immediately became a best-seller, and continues to sell 35 years later. It's more than a book of wonderful recipes - it also describes the Mennonite way of life. The success of that book led to two more Schmecks books and many other cookbooks. Edna has received the Order of Canada among many other awards.

Over the years, Edna developed longstanding friendships with many of Canada's greatest writers, including Margaret Laurence, W.O. Mitchell, Sheila Burnford, and Pierre Berton. In 1991 she established The Edna Staebler Award for Creative Non-fiction to recognize the first or second book of a Canadian writer.

To Experience Wonder is the first book to explore behind the scenes of this successful writer's life. At the age of 97, Edna leads an active life at her cottage on Sunfish Lake, where she writes, reads, and welcomes the many aspiring writers who come to visit.
