After Winter: The Art and Life of Sterling A. Brown

John Edgar Tidwell and Steven C. Tracy have brought together for the first time a book-length collection of critical and theoretical writings about Sterling A. Brown that recovers and reasserts his continuing importance for a contemporary audience. Exploring new directions in the study of Brown's life and work, *After Winter* includes new and previously published essays that sum up contemporary approaches to Brown's multifaceted works; interviews with Brown's acquaintances and contemporaries; an up-to-date, annotated bibliography; and a discography of source material that innovatively extends the study and teaching of Brown's acclaimed poetry, especially his *Southern Road*, focusing on recordings of folk materials relevant to the subject matter, style, and meaning of individual poems from his oeuvre.
