Fan Danny Rhodes

In 1989, eighteen-year-old John Finch spends his Saturdays following Nottingham Forest up and down the country and the rest of the week trudging the streets of his hometown as a postal worker. His blossoming relationship with girlfriend Jen is his only other respite. In 2004 he spends his days teaching in a southern secondary school while delaying the inevitable onslaught of parenthood. Leading inexorably towards the FA Cup semi-final at Hillsborough, and the worst sporting disaster in British history, this book glides between 1989 and 2004, when the true impact of this tragic day becomes evident. Fan is a book about personal and collective tragedy. It's about growing up and not growing up, about manhood and about what makes a man, and about football's role in reflecting a society never more than a brick's throw away from shattering point. Dark, haunting and deeply personal, Danny Rhodes' heart-felt novel explodes with gut-wrenching emotion and exposes how disaster can not only affect a life, but change its course forever. Danny Rhodes was at Hillsborough on 15 April 1989. #The96

From reader reviews:

William Reynolds:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each publication has different aim or even goal; it means that publication has different type. Some people feel enjoy to spend their time and energy to read a book. They are really reading whatever they acquire because their hobby is actually reading a book. Think about the person who don't like examining a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you will require this Fan.

Joseph Wood:

In this 21st one hundred year, people become competitive in every way. By being competitive at this point, people have do something to make these survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading a guide your ability to survive increase then having chance to stay than other is high. For you who want to start reading the book, we give you this Fan book as nice and daily reading reserve. Why, because this book is greater than just a book.

Rachel Chaney:

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book which improve your knowledge and information. The information you get based on what kind of e-book you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining including comic or novel. The actual Fan is kind of book which is giving the reader capricious experience.

Wayne Robinson:

This book untitled Fan to be one of several books in which best seller in this year, honestly, that is because when you read this e-book you can get a lot of benefit on it. You will easily to buy this kind of book in the book store or you can order it via online. The publisher in this book sells the e-book too. It makes you more easily to read this book, since you can read this book in your Mobile phone. So there is no reason for you to past this reserve from your list.
