Fire & Chasm Chelsea M. Campbell

Azeril is a ward of the Church, and their most cunning weapon. By day he hides in plain sight as a student, but with his beloved obsidian knife, he also kills wizards. Az has no memory of his life before the Church, until one night, when a wizard recognizes him from his past. The killer in Az never misses his mark, but he can't destroy the only potential link to his life before this. For the first time, Az has a lead on who he used to be—if only he could escape the watchful eye of the High Priest long enough to investigate.

Azeril discovers that the line between good and evil—the primal forces of the Fire and the Chasm—is as shifting as his own moral compass. And the truth about who he is will put his entire world in danger.
