In his ongoing quest for great sex--and maybe, just maybe something more--Alex has had enough rock-hard men, anonymous hook-ups, and kinky parties to make his blog, [www.thegreatcockhunt.com](http://www.thegreatcockhunt.com), worth all the attention it's been getting. Now Alex pens his first novel, taking his blog fans back to his "early" days in college and discovering how he became the hot gay stud he is today!

With so many memories and fantasies still lingering from college, Alex gears up for a satisfying trip down cock memory lane. With his friends Lizzie and Tommy, he wants to find out who got married, who came out, and of course, get some tail while he's at it. . .

The adventures begin when Alex sees his old flame with a new boytoy--and hooks up with both of them. But where there's history, there's complication, and Alex's never-ending pursuit for great cock takes him on a no-holds barred journey of guy-swapping, seducing straight dudes, mind-blowing orgies, and marathon-sex sessions that only rev him up for his next wild encounter. . .
