## **Ungifted** Gordon Korman

From #1 *New York Times* bestselling author Gordon Korman comes a hilarious and heartfelt novel in which one middle-school troublemaker accidentally moves into the gifted and talented program—and changes everything. For fans of Louis Sachar and Jack Gantos, this funny and touching underdog story is a lovable and goofy adventure with robot fights, middle-school dances, live experiments, and statue-toppling pranks!

When Donovan Curtis pulls a major prank at his middle school, he thinks he's finally gone too far. But thanks to a mix-up by one of the administrators, instead of getting in trouble, Donovan is sent to the Academy of Scholastic Distinction, a special program for gifted and talented students.

Although it wasn't exactly what Donovan had intended, the ASD couldn't be a more perfectly unexpected hideout for someone like him. But as the students and teachers of ASD grow to realize that Donovan may not be good at math or science (or just about anything), he shows that his *gifts* may be exactly what the ASD students never knew they needed.

#### **Richard Simpson:**

What do you about book? It is not important along with you? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy particular person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question mainly because just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this specific Ungifted to read.

#### **David Shields:**

Precisely why? Because this Ungifted is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will jolt you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content inside of easier to understand, entertaining technique but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of advantages than the other book have such as help improving your ability and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

#### **Michelle Seidl:**

This Ungifted is great book for you because the content which can be full of information for you who always deal with world and get to make decision every minute. That book reveal it facts accurately using great organize word or we can claim no rambling sentences inside it. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having Ungifted in your hand like getting the world in your arm, data in it is not ridiculous 1. We can say that no book that offer you world throughout ten or fifteen second right but this e-book already do that. So , this can be good reading book. Heya Mr. and Mrs. occupied do you still doubt which?

#### **David Cormier:**

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the teacher want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Ungifted can make you sense more interested to read.
