Up Jim LaMarche

Daniel was tired of being little. Mouse! They'd been calling him that since he was born. He hadn't used to mind it, even liked it once, but not anymore. He poked at some crackers on the table. "Someday I'll be so strong," he mumbled. "Someday . . ."

And then it happened. Something so strange, Daniel wasn't sure he could believe his eyes. One little cracker trembled for a second, then lifted up off the table. Not much. Not even an inch. Then, just as suddenly, it dropped right back down. Daniel blinked. Had that really happened? *How?* Had *he* done it?

Up is the story of an ordinary boy with an extraordinary talent, a talent no one knows about but him. Can Mouse really lift things off the ground? Or is it enough that he believes he can? Once again Jim LaMarche has mixed the magical with the everyday to create a book that stretches our imaginations and our dreams. Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.

From reader reviews:

Kelsey Jimenez:

In this 21st millennium, people become competitive in every way. By being competitive now, people have to do something to make them survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that often many people have underestimated the item for a while is reading. Yeah, by reading a publication your ability to survive improve then having chance to stay than other is high. For you who want to start reading any book, we give you that Up book as beginning and daily reading reserve. Why, because this book is more than just a book.

Maria Swensen:

Hey guys, do you wish to find a new book you just read? Maybe the book with the headline Up suitable to you? Typically the book was written by well known writer in this era. Typically the book titled Up is the main of several books in which everyone read now. This particular book was inspired many people in the world. When you read this reserve you will enter the new age that you ever know ahead of. The author explained their concept in the simple way, consequently all of people can easily know the core of this publication. This book will give you a lot of information about this world now. So that you can see the represented of the world in this book.

Dianne Janelle:

Reading a publication can be one of a lot of pastime that everyone in the world really likes. Do you like reading book and so. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new info. When you read a guide you will get new information because book is one of many ways to share the information as well as their idea. Second, reading a book will make anyone more imaginative. When you reading a book especially fictional works book the author will bring you to imagine the story how the figures do it anything. Third, you are able to share your knowledge to other people. When you read this Up, it is possible to tell your family, friends and also soon about yours reserve. Your knowledge can inspire others, make them reading a book.

Carmen Bell:

Exactly why? Because this Up is an unordinary book that the inside of the guide waiting for you to snap it but latter it will zap you with the secret it inside. Reading this book next to it was fantastic author who have write the book in such awesome way makes the content interior easier to understand, entertaining way but still convey the meaning completely. So, it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of gains than the other book get such as help improving your expertise and your critical thinking technique. So, still want to postpone having that book? If I have been you I will go to the reserve store hurriedly.
